Where There is Love, There is Life

2021

Bella Vision Nights

AND 30TH ANNIVERSARY CELEBRATION

• OCTOBER 19TH & 21ST •

“Hearing the heartbeat changed everything. I just knew I wanted to keep my baby, whether I was going to be struggling or not.”

—Kayla, Bella Testimony Video

Sponsorship moved last year's guests to give:

“Rescued from fear to confidence!!! I wish Bella was available to me when I needed that 51 years ago!”

“My heart ached with pure joy as I heard so many stories of how God makes Himself known and how He uses your beautiful staff to be His hands and His heart.”

“Watching the videos took me back to when I became pregnant at 15 years old and considering aborting my now 22 year-old beautiful amazing daughter. I did not have Bella and I am so glad many do and will.”

*The miracle of your
Bella Vision Night
Sponsorship*

EVERY \$100 YOU INVEST
CAN LEAD TO \$1000 IN DONATIONS
FROM THOSE WHO ATTEND

As 2021 progressed, the dream of celebrating our 30 Year Bella Anniversary Gala by gathering to share a meal at Leo's Banquet Hall once again seemed possible!

But Delta?

But GOD!

Your Sponsorships last year broke every record, and as we make the tough decision to orchestrate a safer celebration back at beautiful North-Mar Church, we will trust the Lord to provide through you once again! Guests will receive the restaurant gift cards as they did last year. It was a meaningful incentive to offer attendees—and they loved them! They also helped to keep our Vision Nights hospitable and a reflection of the generosity of the God we serve. Thank you for making that blessing possible!

All who attend these upcoming fundraising gatherings virtually and in person will get to hear the rest of Kayla's amazing story- especially the surprise God had up His Holy Sleeve for her in the ultrasound room.
